# Dedication

The 1963 *Reflector* Staff has chosen to dedicate their yearbook to a person who is admired and respected by all who know her.

Possessing a B.S., she has taught for 24 years, 11 of which have been dedicated service to Mehlville.

While developing a lasting friendship with her students, she has given many underclassmen a valuable basis for their high school training.

As a token of our deep appreciation for the guidance she has given so many students, we proudly dedicate the 1963 *Reflector* to Mrs. Dorothy Mahar.

# Foreword

"Remember 'That Wonderful Year' " is a phrase that will be re-echoed many times in the years to come. As students recall the past year at Mehlville, many things will be brought to mind — the exciting football games, wonderful dances, knowledge-bearing classes, thrilling basketball games, and last, but not least — graduation.

The 1963 *Reflector* Staff has tried to effectively recreate these activities so that one can remember more vividly — "That Wonderful Year."

## BOARD OF EDUCATION—

### *Board Completes Plans for the Year*

A board meeting in session;  
*SEATED:* Mr. Edward Merryman, Mr. Edward Roesler, Mr. Clarence Wohlwend, Mr. Oliver Winney, President Ray Sample, Mr. Kermit Bierbaum, Mr. James Ash, Mr. Richard Bussen, Mr. Robert Henley. *STANDING* Mrs. Vera Saunders, Mrs. Marcelyn LaPique.

The progress and expansion of the R-9 School District is due to the outstanding work of the Mehlville R-9 Board of Education. Among their projects this year were the opening of the new Oakville Junior High School and of the recently built Bierbaum Elementary School. Another improvement to the district was the addition to Point Elementary School. They also purchased two sites of land for future development. Under the capable direction of these men, Mehlville R-9 School District will continue to maintain its high standard of education.

# ADMINISTRATION—

## *Administrators' Duties Never Cease*

The administration is the body in charge of our school. Much is placed on the shoulders of the administrators as they face a large job.

It is the duty of the superintendent, Mr. Bierbaum, to keep the district co-ordinated. His assistant, Mr. Merryman, must hire teachers of satisfactory qualifications and decide which courses of study are best suited for the students in general.

The big, but important, job of schedules and class and pupil location is required of the principal, Mr. Bay. He and the assistant principal, Mr. Stratton, are constantly being called upon for decisions and counseling by faculty, parents, and students.

Mr. Waddock, as the dean of students, must handle the discipline problems; and the man in charge of public relations, Mr. Henley, the staff assistant, must direct the custodians, cafeteria workers, and health programs.

All in all, the administrators' duties never cease since they are a part of a governing organization.

Mr. Bay confers with Mr. Stratton and Mr. Waddock in one of their frequent conferences

## DEPARTMENT HEADS—

### *High Ideals Are Instilled by Department Heads*

The various departments of education each play an important role in supplying the Mehlville students with a well-rounded education.

The Science Department proudly introduced a new subject, biological chemistry, supplementing the courses of general science, biology, chemistry, and physics.

Calculus and analytical geometry also appeared for the first time this year. Students taking them, as well as other mathematical subjects, found them challenging and rewarding.

A sound understanding of past events was established by the Social Studies Department in order to better prepare students for today's modern world.

Instilling within their students the importance of communicating both in oral and in written forms

has been a goal achieved by the Language Department.

Invaluable practical knowledge, important in any vocation, was gained in Business Education and Industrial Arts courses.

The Fine Arts Department has striven to provide greater appreciation and enjoyment of fine music and art, as well as instruction in these subjects.

Laying a foundation upon good sportsmanship, the Physical Education Department has developed the athletic skills of its students.

The student counselors have been of invaluable service from helping freshmen adjust to high school to aiding seniors in their choice of a college or vocation.

## To The Student Body:

The administration and faculty of Mehlville Senior High School would like to take this opportunity to extend to you our congratulations on a successful school year, and our best wishes to those who plan to continue their schooling, either at Mehlville or at a college or university.

We are sure that the 1963 Reflector will bring back many wonderful memories in the years to come.

Mehlville Senior High School has grown tremendously since its opening in September of 1955. The original high school consisted of fourteen classrooms and administrative offices. In January of 1958 the first addition was added to the high school. This addition included a double gym, twelve classrooms, three shops, and two home economics rooms. November of 1960 saw the opening of the second addition, adding to our building twenty rooms, including a new shop area. In 1962, two more changes were brought to Mehlville High. In March of that year our school was admitted as members of the North Central Association of Secondary Schools and Colleges, receiving the highest accreditation possible for a high school. May of 1962 witnessed the passing of a bond issue for our third addition. When finished, there will have been added twelve more classrooms, three home economics rooms, a double gym and a large library. The present home economics rooms will become a part of the enlarged cafeteria.

Our teaching staff and student body have also expanded since our opening in September of 1955. The teaching staff has grown from 14 to 78 and the student body from 325 to 1343.

The administration, faculty, and student body of Mehlville Senior High School can look back with great pride on the growth of our school, and can look forward with great expectation toward the continuing expansion of our facilities which will provide the best education possible for our ever-expanding student body.

Sincerely yours,

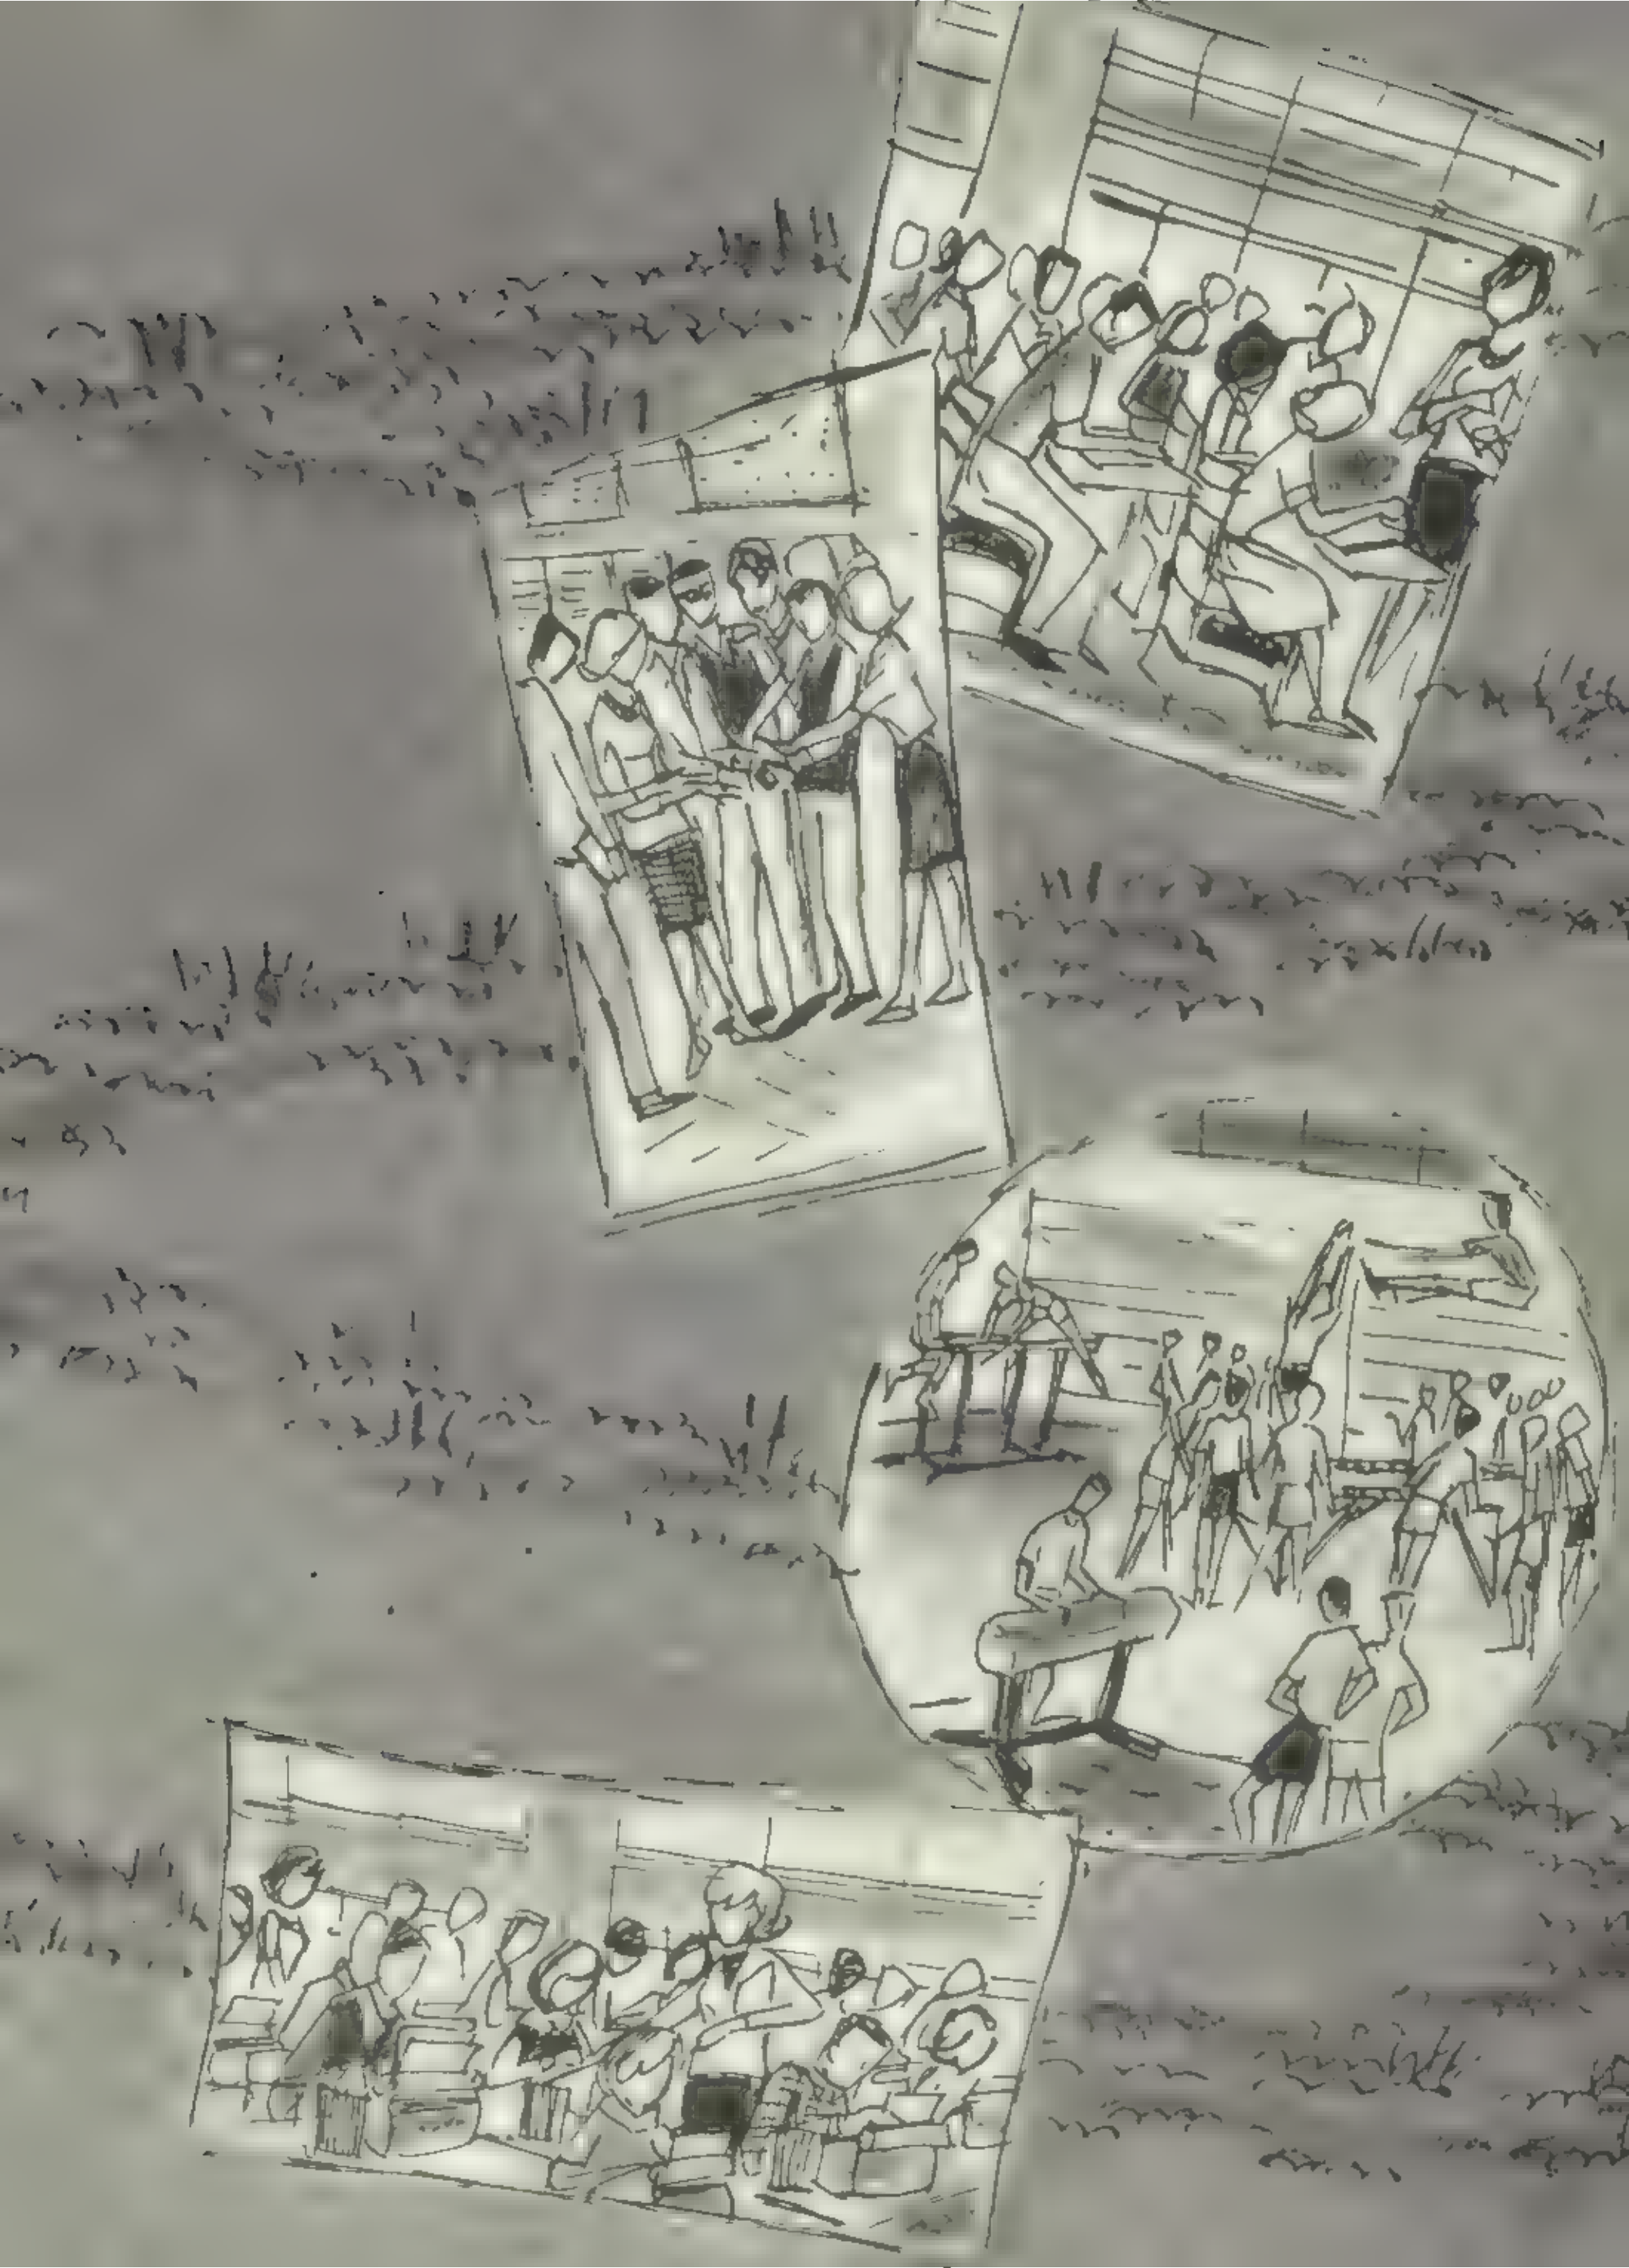

*Alvin G. Bay*

NELSON MORRISON

SANDY ROESLER

Whether on the football field, wrestling mat, or presiding over a Varsity Club meeting, Nellie's quiet leadership was apparent.

Reigning as Homecoming Queen was the climax of four successful years for Sandy whose lively personality gave her friends beyond number.

Her school spirit and gift of conversation made Judy an admired leader in the various clubs.

## SENIOR

JUDY TRAUTH

Hard work and skill both on the basketball court and in the classroom, brought Barb respect from faculty and friends.

Scholastic achievement and a determination to succeed characterized Gary's high school years.

BARBARA WEBB

GARY PETRI

MIKE STANFIELD

Presiding as President of the Student Council, the Senior Class, and Co-Captain of the football team were just a few of the many things Mike achieved during his high school years. He was the students' leader, and they admired him.

JEANNE OLENYIK

Jeanne's many abilities enabled her to accomplish much in her high school years; editing the *Reflector* became her pride and joy.

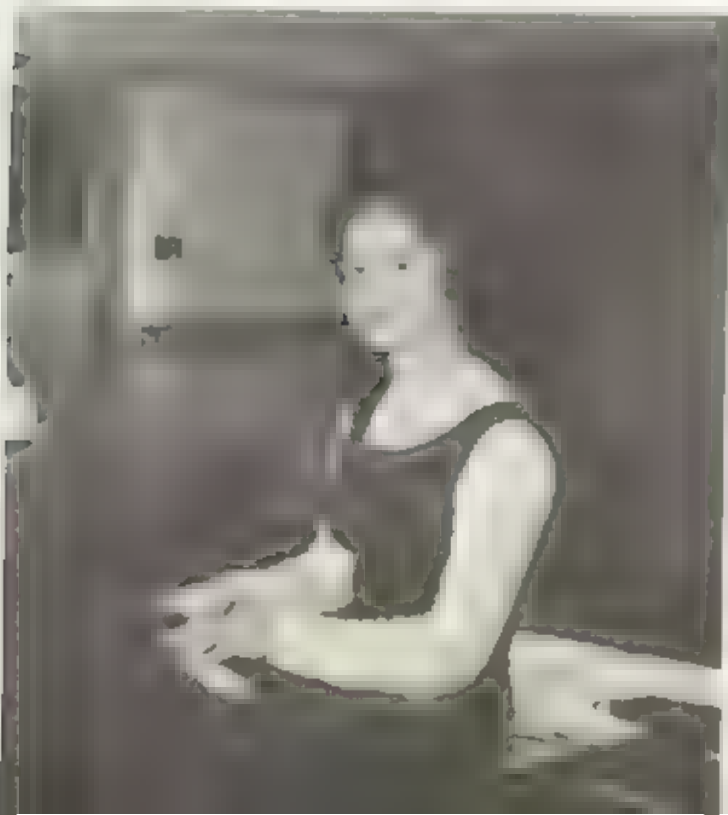

## UPERLATIVES

RICK SCHUEPFER

Reigning as *Reflector* King, wrestling, and playing football were just a few of the reasons Rick gained a respected position among his classmates.

Her sweet shyness endeared Pat to her friends; her willingness to help and scholastic ability brought her admiration.

PAT NELSON

Gene's sense of humor and his ability to laugh at himself made his friendship valued by his classmates.

## VARSITY FOOTBALL

Although Mehlville's first year in the Middle Six Conference was not as successful as it was expected to be, the Panthers, nevertheless, put forth all their efforts into a well-played season. There were only four returning seniors on the team, the rest being underclassmen, many of which were on the team for the first time. They just didn't have the experience to face up to the polished juniors and seniors of our opposing teams.

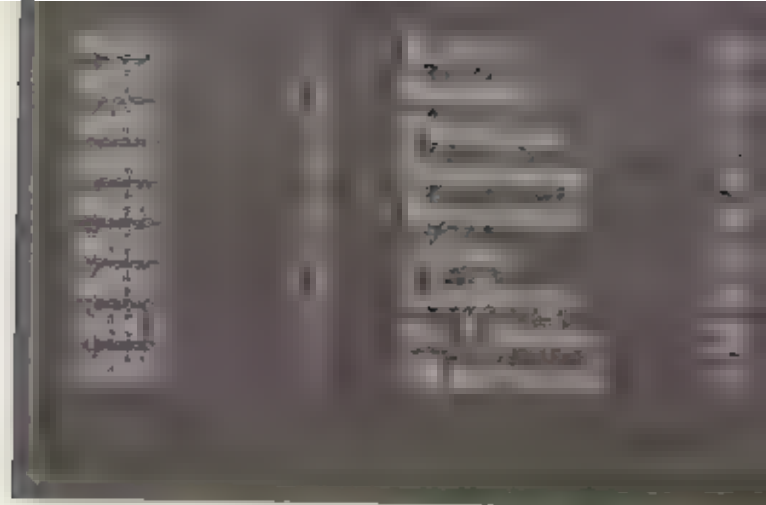

The 1962 Panthers faced Ladue for the first game of the year. Even though we lost to the Rams, our spirits were not dampened and we faced Berkeley with confidence. However, having confidence and scoring two touchdowns was not enough to top them. Having lost the first two games, the team practiced even harder. Trying as hard as they could, the Panthers still could not get the ball over the goal and fell, scoreless, to Principia and Hazelwood. The loss to Brentwood added to the Panthers' dismay. However, all was not lost. Armed with cour-

age and many hours of practice, M.H.S. was determined to top Affton and make the Homecoming Game a victory. It was the best game the Panthers had played, scoring more touchdowns than in any previous game. With M.H.S. leading in the third quarter, they were almost sure of success. Unfortunately, Affton rallied back to defeat the Panthers by two points. Although low in spirits at times, M.H.S. intended to make the best of the three games left in the season. But apparently the best was not enough to win as we dropped the last three to Lindbergh, St. Charles, and Maplewood.

Things will look better, however. The junior varsity, winning four of their eight games and the freshmen, winning one of their five games, show outstanding potential. Watching the progress of the sophomores and juniors this year, Coach Goodwin is assured that this will be the last year the student body will see so many losses.

Hit 'em again!

Nellie Morrison strikes again!

## Varsity Basketball

Memories of the winning 1958-59 basketball season were brought back as the 1963 Panthers scored victory after victory, breaking the school record with a final record of 22 games won and only 6 lost.

Coach Glenn Cafer, for his first year at MHS, really showed the boys' how to make a winning team. The basketball Panthers brought four trophies back to MHS. Being ceded first, they captured first place in the Bayless Tournament, something never before experienced by a Mehlville team. They took third place in the Duchesne Tournament. The South

County Tournament created a lot of excitement and raised school spirit as the Panthers won second place, losing only to Maplewood. At the end of the season, the Panthers and the students were looking forward to playing in the regional and state finals. The team made it easily in the regionals up to the play-off against Kirkwood for first place. Then a little bad luck fell upon the team as Tom Tendler, high scorer of the team was not able to play. The team, backed by the whole student body, faced Kirkwood determined and put up a good fight, although not good enough as they lost by only eight points.

Outstanding player on the team was forward Tom Tendler who scored a total of 597 points, breaking the previous single-season scoring record. Tom averaged 23 points per game, also breaking MHS's previous high record. Four underclassmen who fought hard were Bob Harris, Gary Leinberger, the team's leading rebounder, Jim Douglas, and Dave Loos. Although the team will be losing three of its starters, Tom Tendler, Ken Hammer, and Larry Neely, Coach Cafer is hopeful of producing another winning team which will even break all records set this year.

Coach: Crandell. Not pictured: John Platchek.

## "B" TEAM

To prepare the 19 players on the junior varsity team for varsity basketball rather than to emphasize winning was Coach Don Crandell's chief aim. Among the fine players were Tom Tesson, the leading free-throw shooter, Bob Dawson, the high scorer of points, and Buddy Benack, who had the largest percentage of field goals and was the leading rebounder. Two boys who showed much improvement were Tom Rickermann and Tom Cullman. The highlight of the season was the South County Tournament in which the team played a good defense and was able to place second.

## "C" TEAM

The freshman basketball team showed a very good record this season with 6 wins and 7 losses. Coach Ron Paul was very pleased with these boys who, he said, "have a very good potential and will probably have an even better record next year." The player most improved was Gary Heintz, a guard, and the leading rebounder was Dennis Carman, a center. Another promising prospect was Bill Yansen. The leading scorer was T. J. Morgan. Coach Paul was very pleased with the hard work of this season's team and their manager.

The winning streak of MHS's wrestling team continued to prevail this year as the Panthers had no losses and only one tie in their sixteen matches.

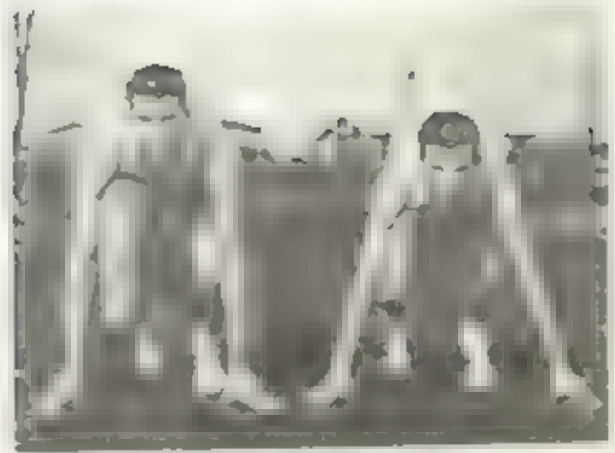

The "matmen" enjoyed participating in the various tournaments, walking away with four trophies. The first trophy won by the team was a first place cup from the Principia Tournament, defeating wrestlers from seven other schools. In the Mehlville Tournev. the Panthers took second place, with Affton winning first. Not being satisfied with the trophy they had already, the team decided to bring another first place trophy back from the O'Fallon Tournament. However, they had to settle for a second place one, being edged out by eight points. The District Tournament at O'Fallon brought a lot of excitement to the MHS fans as the Panthers almost captured first, losing to Kirkwood by only two points. At the close of the season, Mehlville sent four boys to the State Tournament at Kirkwood. Their final position was sixth out of thirty-six schools with Neal Joiner winning the state championship in his division and Nellie Morrison taking third place in his weight class.

With at least twelve returning varsity lettermen, the coaches are just as hopeful for next year's team.

Don Williams displays the art of high jumping

This year's track team has worked hard to improve skills in such events as hurdling, high jumping, pole vaulting, discus throwing, shot putting, sprints, and distance races. The team, composed of approximately fifty boys', was separated into a senior and junior division. Before training began, Coach Launius emphasized the dependence placed upon freshman tracksters. Even though the number of returning lettermen and other upperclassmen was small, the boys' proved promising as practice started in the second week of March. Both divisions used the new runways and jumping pits in the track area to prepare for the meets in April and May.

### *Sixteen Games Scheduled for '63 Season*

All of the anxious boys' going out for Mehlville's 1963 baseball team discovered that it takes a lot of hard work and many long hours of practice to have a good team. At any of the games, hard, fast playing was displayed by the members of our team. These boys', all of whom possessed a strong desire

to win, were constantly fighting for a victory. Teaching the players many useful points of playing top-notch baseball and of exhibiting good sportsmanship was the job given to Coach Don Crandell and Coach Glenn Cafer

## WEIGHT TRAINING—

### *Used For Keeping Athletes In Condition*

Going along with the current idea that the body as well as the mind must be developed, boys at MHS had the opportunity to build up their muscles and to increase their strength and endurance through the weight training program. Consisting of various forms of weight lifting and special develop-

mental exercises, the program was under the guidance of Coach McCarty in the spring and Coach Goodwin in the winter. Although designed especially to keep the football players and wrestlers in shape, this physical fitness program was open to all boys.

The Mehlville Pep Club has promoted school spirit by participating in various activities and projects. Candy apples, victory ribbons, and Mehlville buttons were sold to raise money for the organization. Posters were made to encourage attendance at games. For the Homecoming game, members decorated the field and presented the cheerleaders with corsages. The outfit this year consisted of white blouses and green scarves. The highlight of the year occurred when the pep club pins arrived. Members received points for attendance at games and meetings, and the one with the most points received a special pin. This gave the members special motivation for attendance. Sponsored by Mrs. Putney, the club was a busy, enthusiastic organization with members who were always ready to rally spirit at Panther games.

## *Cheerleaders Help To Increase Student Support*

Clad in the traditional green and white, Suzy Wietecter as captain, Sandy Roesler, Jean Anderson, Susan Buckner, Alma DeBasio, Chris Litschwager, Carol Reichert, and Gloria Webb served as Mehlville High School's eight varsity cheerleaders for the school year 1962-63. As the fans cheered, "Pan — thers — Fight — Fight" was heard echoing on Mehlville's campus throughout the football and basketball seasons.

Promoting school spirit and good sportsmanship, the varsity squad cheered at spirit-raising pep assemblies creating more interest in all games. Displaying tireless energy and endless vigor, the cheerleaders spread zeal and enthusiasm into the blood streams of Mehlville's students causing record-breaking attendance at home and away games.

Sponsored by Coach Launius, the Varsity Club enjoyed a successful year. In May they held a Father-Son Banquet which was climaxed by the presentation of the Outstanding Athlete Award. As an initiation stunt, the incoming members were looked after for a week by a "big brother" and made to obey

various wild commands. Their attire for that week was just as wild as they appeared wearing hats and carrying purses and gloves. Also the Varsity Club presented the school with a bulletin board on which each week's announcements were posted.

## GIRLS' SPORTS

### *Sportsmanship Displayed in Girls' Athletics*

The sports-minded girls' of Mehlville were really kept busy this year. Various teams were sponsored for which anyone was allowed to try out. In the fall Mehlville High School sponsored a field hockey team. Later in the winter two basketball teams were selected by Mrs. Putney and Miss White. The skills of basketball were taught to every girl in gym

class. In February a bowling team was created under the guidance of Miss Fischer, the junior high P.E. teacher. Learning to serve and spike a volleyball was the final objective of the M.H.S. girls' gym classes. After the basic skills were established, a team was selected in March.

## WINTER WONDERLAND #5—

### *Winter Wonderland Scene Prevails*

The fifth annual Winter Wonderland Dance was again beautiful in its theme of blue and white. Snowflakes were scattered throughout the gym in sizes varying from the tiny ones strewn among twirled blue crepe paper, that surrounded the yearbooks on the bleachers, to the gigantic one which hung from the center of the ceiling. The 1963 *Reflector* was not only emphasized on the bleachers,

but a huge yearbook also appeared at the back of the gym.

As the candidates stepped through this yearbook and approached the throne, excitement rose to a climax. It was at this time that Carole Imboden and Rick Schuepfer were crowned 1963 *Reflector* King and Queen.

## HOMECOMING DANCE—

### *Gala Finish of an Exciting Day*

The final event of an exciting Homecoming Day was the Homecoming Dance. The decorations were based on McDeville's school colors and the school crest. After long hours spent by seniors and their sponsors, the final effect of the decorations was spectacular, who observed the decorations in green and white streamers covered the room, which for the

breakers, players, fans and fans posts of good events of the game.

"Double, double toil and trouble;  
Fire burn and cauldron bubble."

On November 17, the whole Dogpatch clan came to Mehlville to celebrate Sadie Hawkins Day. "Mammy Yochum" mixed up a batch of her famous turnip stew right in the middle of the gym. "Marryin' Sam" came along to marry couples "illegally in 'holy matrimony' in the 'state of misery.' Other Dogpatch residents felt right at home here and didn't waste any time in hanging out their wash. No Sadie Hawkins Dance would be complete without 'L'il Abner" and "Daisy Mae," and this

year was no exception. Representing the senior class, Gene Cullmann and Nancy Eikmann reigned as these two famous characters.

The refreshments sold, such as turnips and "kickapoo joy juice," also had that special Dogpatch flavor.

This dance gave each Mehlville gal the chance to "snag" the guy of her choice and enjoy a most amusing evening.

By carrying out these small duties, these students made the librarian's job easier and helped to keep the library running smoothly.

The boys in the Projector Club learned from Mr. Bilane the fundamentals of running and making minor repairs on projectors and projector equipment. Thanks to this group, during the year movies and other audio-visual materials were available to be used by classes to the advantage of the students.

## *Many Changes Introduced Into '63 Book*

Typing — talking — tearing out hair" — the 1963 *Reflector* Staff went about their daily duties in an effort to make the yearbook a great success. They introduced many new things to the Mehlville book. An innovation this year was the use of duo-tone in the front section of the book. Duo-tone is a

type of printing in which black and one other color is used to make pictures appear tinted. In addition, new layouts were used in the '63 yearbook. Also this year's book contained more art than in the past. This art was used to carry out the theme of the book "That Wonderful Year."

# STUDENT COUNCIL—

## *Victory Bell Arouses School Spirit*

Getting an early start last summer, President Mike Stanfield and the members of the Student Council met to put together a student handbook which was distributed to the students at the beginning of the school year.

The Student Council sponsored three extracurricular activities this year: the traditional Variety Show, the annual Faculty-Varsity Game, and the first dance of the year, the Kick-Off Dance. They also presented a victory bell whose welcome sound was heard ringing throughout the year after all vic-

tories.

In order to make money, the members of the Council took up the continuous project of selling such things as book covers, pencils, pens, and portfolios during the lunch period in the cafeteria. A new money-making project this year was the selling of decals for car windows.

Having the opportunity for all to attend the Student Council Convention, many of the members gained valuable information to help with carrying on the future work of the Student Council

### *Gives Recognition to Outstanding Students*

The highest of goals in scholarship, leadership and service, and exhibition of good character are the prerequisites for the members of the National Honor Society. Recognizing outstanding qualities in both dramatics and journalism is the goal of the Quill and Scroll and the Masque and Gavel. Students maintaining a "B" average, and having made remarkable contributions to these fields, are eligible for the two honorary societies. Selecting the members is the

task of Mrs. Worthington, head of the dramatics department, and Mr. Karcher and Mr. Kleine, sponsors of the *Reflector* and the *Student Prints*. These clubs enable talented and interested students to better themselves in these particular fields.

Mehlville's choral groups took an active part in school activities this year. The annual Christmas and Easter concerts were presented for the student body and general public, featuring cantatas by the Girls' and Boys' Ensemble along with a variety of songs by the A Cappella Choir. Performances were given by

all choral groups at the Mehlville Science and Arts Fair and for the Mothers' Club. The fifteen members of the Girls' Ensemble and the eleven members of the Boys' Ensemble were individually selected by Director Mr. Roval Flanakin and a panel of previous Ensemble members.

# STUDENT PRINTS —

## *Improvements Increase Interest*

Presenting recent school news was the challenging task of the *Student Prints* staff. Sponsored by Mr. Kleine, the paper strove to give the students a comprehensive and entertaining view of recent school activities. Articles on sports and social activities were included in various issues of the *Prints*.

Under the direction of Editor-in-Chief Bob Rundquist and Managing Editor Karen Ross, the *Student Prints* book store was made available to the students with a wide variety of foreign language dictionaries, novels, and short stories being offered. Another project was the presentation of a scholastic award to the top ranking student in each class at the end of the first semester. A photo contest gave interested students a chance to show their ability in the field of photography.

The new Math Club, in its second year, was organized in order to recognize students of mathematical ability and to enrich their backgrounds. Its goal is "to promote scholarship, enjoyment, understanding, and interest in mathematics." To be a member of the Math Club, a student must have completed four semesters of college preparatory math and be engaged in or completed a fifth semester. He must also have a "B" average over these five terms.

At the monthly meetings there were guest speakers from different universities and companies who presented advanced mathematical subjects that high school courses don't offer. A field trip to see computers was also made by the members at the end of the year. It is the hope of the members that future students who are eligible will take an interest in the club.

## LANGUAGE CLUBS—

### *Les Cercles Des Stranovo Yazeku Ensanch*

The four language clubs, French, Spanish, German, and Russian, all had approximately the same goal in mind. This was to promote a deeper interest in the language and to familiarize the members with certain aspects of the culture. Since knowing a language well requires fluent speech in common occurrences, the clubs realized that it would be neces-

sary to speak its particular language as much as possible during informal situations. Besides speaking, it is valuable to have a knowledge of and to appreciate the people and their customs. To obtain these goals, the clubs made use of records, films, relevant materials, and field trips.

# F.T.A.—

## *F.T.A. Provides Ushers For Open House*

It has been said that education is more than learning, it is a way of life. The educated man is better equipped to take his place in the world of today because of a teacher.

With the guidance of Mrs. Shannon the Future Teachers were presented with many interesting and

helpful attractions, such as movies, guest speakers and informative field trips to special schools of instruction, such as the Missouri School for the Blind. These enabled the F.T.A. members to find out what is required and actually necessary to be a teacher of tomorrow.

F.T.A. listens intently to faculty guest speaker.

## F.H.A.—

### *Helpful Hints Given In Future Homemaking*

The Future Homemakers of America is an educational organization founded and created for the purpose of extending the learning area of home economics students. This is accomplished by frequent discussions by various guest speakers, valuable and interesting field trips, and individual projects. Among their numerous activities this year were a profit making school bake sale, a dinner at a fashionable St. Louis restaurant, and their annual school dance in March.

F.H.A. members enjoy a demonstration on the application of cosmetics.

## SCIENCE CLUB—

### *Emphasizes Extra Research Programs*

A new club at MHS this year was the Science Club. It is composed of two divisions — the general body and an inner "nucleus" consisting of juniors and seniors who have at least a 3.0 average in science. This inner circle has special privileges such as priority on field trips and access to special laboratories.

Gary Bartlett, President, described the purpose of

the Science Club as being "to promote interest, understanding, scholarship, and enjoyment in science." The other officers were Vice President Bob Rundquist, Secretary Margie Schumaker, and Treasurer Carol Davis.

Besides enjoying the usual club activities, the members sold refreshments for the Mehlville Science and Arts Fair.

See anyBODY you know, John?

Sure you're turning it the right way?

# PARENTS' ORGANIZATIONS—

## *Increase Interest Between Parents and Students*

Mehlville's P.T.A., Fathers' Club, and Mothers' Club were founded on the high ideal of promotion of school achievements and activities. With group participation, the P.T.A. again sponsored the school picnic, one of the biggest events of the year, and the annual smorgasbord which boasts "eats for all." The Fathers' Club is responsible for the Home-

coming Parade and the Harlem Magicians' game. They promoted good sportsmanship as well as activity in sports. Throughout the year, the Mothers' Club, considering the welfare of the students in the home and school, sponsored the Junior High Christmas parties and the spring fashion show.

## SERVICE GROUPS—

### *Maintenance of School is Full-Time Job*

High school secretaries: Mrs. Jean Held and Mrs. Anna Chambers.

Mehlville's increasing expansion at such a rapid rate was the cause of an increase in the number of maintenance workers, nurses, bus drivers, and secretaries. The high school office was run with extreme precision by Mrs. Anna Chambers, Mrs. Mary Govea, Mrs. Virginia Wietecter, and Mrs. Jean Held. Numerous questions were asked of the secretaries every day, and they answered with endless patience, although they had other varied duties.

The thirteen cafeteria workers had to face 1500 hungry students every day as they served nourishing meals at a low cost.

The high school building was kept in smooth running condition during the year, thanks to Mehlville's thirteen custodians and two matrons.

Miss Ann Burns and Mrs. Susie Burns, with the addition of Mrs. Peggy Richardson, administered tuberculosis, hearing, and sight tests to many students.

The twenty-nine bus drivers, under Mr. Vince Stuckmeyer's supervision, not only drove students to and from school, but also provided loop run services for after-school activities.

March 22, 1963

Dear Reader,

The time is approaching when the 1963 Reflector will be completed. As there is only one more deadline to meet, we are once more aware of our purpose--to record "That Wonderful Year." We hope activities and friendships will be recalled as you look through the Reflector.

The yearbook would not have been possible without the help and advice from Mr. Harry Swain, Myers Representative, Mr. Raymond E. Karcher, Faculty Advisor, Mr. Albert Bohm, Rembrandt Studios, and Mr. John Blasen, Teckford Bookbinders. I would like to thank the administration, faculty, and student body for the co-operation received during the year; and my warmest thanks to Carolyn Kemp, LaVern Maly, and the yearbook staff for the countless hours of work and support they have contributed to the 1963 Reflector.

Sincerely,

*Jeanne Olenyik*

Jeanne Olenyik  
Editor

Mr. Harry J Swain

In appreciation of the twenty-five years of service rendered to the *Reflector* Staff, we gratefully acknowledge the work of Mr. Harry J Swain. Contributing many new ideas, his efforts have made the *Reflector* one of the best yearbooks in this area. Whenever technical problems arise, his expert advice and professional opinions prove invaluable. His help has been priceless and without it, the 1963 *Reflector* would not be possible.

# *ALMA MATER*

Mehlville Senior High, we hail thee,  
Loud her praises tell;  
Holding high the torch of knowledge,  
You have guided well;  
We will wear your colors proudly,  
Everywhere we go;  
Green and white will lead us onward,  
Keep our hearts aglow;

(chorus)  
Join the chorus, speed it onward,  
As the years pass by;  
Hail to thee, our Alma Mater,  
Mehlville Senior High.

Many are the joys that bind us,  
In sweet friendship here;  
Time can't dim this light of memories,  
Burning bright and clear;  
Mehlville Senior High we hail thee,  
Loud her praises tell;  
We will not forget our comrades  
When we say farewell;

(chorus)

10 Linda.  
a girl who has a  
good sense of humor  
and is a lot of fun  
lots of fun & will be  
in future  
soon

in school and your rate with  
boys (which I know will always be  
right). In about a year  
I see you and Ray walking down  
the hall looking hard and wear-  
ing his senior ring. Lots of Luck!

With love,  
Always,  
Andy

Q and Egan

So friends,  
Always remember the good times  
we've had at lunch time. Have  
fun this summer and don't do  
anything I wouldn't do.  
But it's a good  
wish.

Dave Egan

To Linda,  
(you poster kid)  
If you wouldn't have  
written Dave Egan  
I would have  
had more room to write.  
I just kidding  
Hope all of us get together  
sometime and have a riot.  
You are a real sweet kid.  
Hope Dave asks you out.  
Lots of luck always.
